Answers the Question in brief.

Ques: 1: Who is the main character in this story?
What do you think so?

Ans: The main character in the story is Mr. Mehmood because the whole story deals with his life and his work.

Ques: 2: What was Mehmood famous for?

Ans: Mehmood is famous for making kites.

Ques: 3: What is the old man nostalgic about?

Ans: The old man nostalgic about kite making

as he loved to make different kinds of kites

Ques. 4 = Why did Mahmood recall while dreaming
Ans = Mahmood recalled the time while dreaming was a time when grown men flew kites and great battles were fought, the kites swooping and swooping in the sky, tangling with each other until the string of one was severed.

Ques. 5 = Describe the kite Mahmood made for Nawab
Ans = The kite consisted of a series of small, very light paper disks trailing on a thin bamboo frame. To the end of each disk he fixed a strip of grass, forming a balance on both sides. The surface of the foremost disk was slightly convex, and a fantastic face was painted on it, having two eyes made of small mirrors. The disk, decreasing in size from head to tail, assumed an adulatory form and gave the kite the appearance of a crawling serpent.

Ques. 6 = What are the similarities between trees and men?

Ans = Both trees and men have some similarity as when both are young, they are treated very gently and kindly by everyone but when they become old, people forget about them and stop caring for them.

Ques: How are Ali and Mehmod similar & different? compare & contrast between their character by identifying the relevant qualities.

Ans: Ali and Mehmod both love flying the kites and had a keen interest in flying kites. But the difference was that Ali flies kites just for amusement whereas Mehmod fly kites and make kites for their amusement as well as for livelihood.

Ques: What change have taken place in the habit of people over years? What have caused change?

Ans: Earlier, the people used to fly kites for their amusement. But now, they prefer to go to cinema and spend money. The reason behind this is that there are no spaces left for flying of kites.

Ques: What is the message of the story?

Ans: The message of the story is that we should not forget our old customs and we should always give respect to old age people.
